

PMD Technocrats

Expertise in :

- Sheet Metal Deep Draw Technology
- CNC Sheet Metal Fabrication

Manufacturers of :

- Luminaries
- Automotive Fuel Tank & Pressed Part
- Electrical Enclosures
- Control Panels
- Measuring Instruments
- Distribution Box
- Battery Box
- Cable Tray
- Metal Perforated Sheets
- Electric Motor - Cooling Fan Cover

PMD Technocrats

- Manufacturers of housings & fabricated bodies suitable for:
 - Street Lights
 - Flood Lights
 - Reflectors
 - Indoor & Outdoor Luminaries
 - Accessories such as Lamp Control Gear Boxes
 - Spares for all kinds of Luminaries
 - Luminaries
 - Automotive Fuel Tank & Pressed Part
 - Control Panels
 - Measuring Instruments
 - Electrical Enclosures
 - Distribution Box
 - Battery Box
 - Cable Tray
 - Metal Perforated Sheets
 - Electric Motor - Cooling Fan Cover
- We also undertake specialised Sheet Metal jobs for industries.

PMD Technocrats

AMBIKA
Industries

- **Street light Accessories**
 - Mounting Clamps and brackets

SHAKTI
Industries

- **Aluminium Street Light Reflectors**
 - 20 different variants

MAMTA
Engg. Works

- **Aluminium Street Light Body**
 - 10 different variants
- **Pressure Gauges**

CHAMUNDA
Engg. Works

- **Mild Steel Street Light Body**
 - 20 different variants
- **Control Gear Boxes**

SHRI RIDDHI SIDDHI
Engg. Works

- **Mild Steel Indoor Light Body**
 - 15 different variants

- **We have six manufacturing facilities across Mumbai and Vapi**

Manufacturing Capabilities

PMD Technocrats

Manufacturing Capabilities

- Our production capacity can be judged through our wide range of machineries:

Machines	Quantity
Amada CNC Turret Punching Machine	1
Hydraulic Presses (Capacity:-75 tonnes to 250 tonnes)	20
Power Presses (Capacity:- 20 tonnes to 125 tonnes)	25
Shearing Machines	10
Bending Machines	5
Hand Presses	20
Ultrasonic cleaning Machine	1
Cutter Machine	5
Spot Welding machines	10

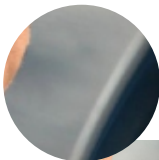

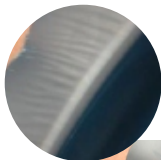

Manufacturing Capabilities

PMD Technocrats

Manufacturing Capabilities

- Our high-volume of production does not affect the quality of the products. This can be demonstrated below:
 - Deep-Draw products have wrinkles on the edges *but our products have straight edges.*
 - Deep-Draw products have disoriented shape *but our products have uniform smooth flow of material.*

Our Strengths

PMD Technocrats

- Diversified product portfolio.
- Over three decades of experience which makes us one of the market leaders in sheet metal fabrication industry.
- Long-term relationship with multiple customers.

PMD Technocrats

We are capable of catering sheet metal products to the following industries:

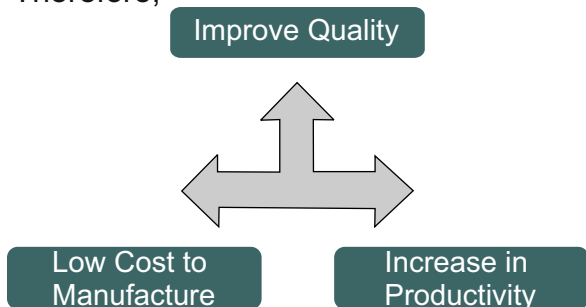

- Completely assembled luminaries (finished product)
- Railway
- Automobile
- Aviation
- Oil and Petroleum
- Electrical & Electronics
- Household Products

PMD Technocrats

- Manufacturing sheet metal products using various types of Machineries.
- Hence, capables of manufacturing complex sheet metal products and achieving dimensional accuracy without comprising on quality.
- Engaging in OEMs from product conceptualization stage till the desired results are achieved.
- Effective and efficient manufacturing techniques through Continuous Improvement.

Therefore,

PMD Technocrats

PRAVIN DODIA
(Founder)

- A first generation entrepreneur, responsible for the growth of the group since past three decades
- Masterminds the group activities
- Diploma in Mechanical Engg. from Gujrat

JAY DODIA
(Director)

- Associated with the company since 2009 and manages the operations of the group.
- MSc in Mechanical Engg. from Imperial College London
- B.Eng. (Hons) in Mechanical Engg. Aston University, Birmingham
